Full Stack MERN Developer with 1.5 years of experience in designing and developing small to business level web applications. Proficient in frontend and backend technologies, specializing in building intuitive user interfaces, complex layouts, optimizing APIs, and solving coding challenges. Strong ability to learn and adapt new technologies and collaborate with cross functional teams.

WORK EXPERIENCE

Full Stack MERN Developer • Full-time

Technoholic Advance Solutions • Tariq Road Karachi • 04/2025 - Present

- Working as a full-stack developer on a real time **property management dashboard** application using the MERN stack, focusing on building interactive frontends, secure backend APIs, and efficient data management.
- Integrated **Stripe** and **PayPal** for secure, real-time payment processing including checkout, refunds, and webhook handling.
- Developed full payment workflows with backend authentication, success/failure handling, and order updates.

Full Stack MERN Developer • Full-time

Unique Advertisers • Gulberg Town Karachi • 10/2024 - 04/2025

- Led full-stack development for a service-based company, managing both frontend and backend operations independently.
- Built and Optimized business Websites like Optimized an **AI Music Distribution Platform** by enhancing MongoDB queries, improving API response times, and fixing React TypeScript type issues, leading to better performance and user engagement.

Frontend Developer • Internship

Arc Inventador • Shahra-e-faisal karachi • 02/2024 - 08/2024

- Collaborated with designers and backend teams to develop real-world projects in a fast-paced creative agency.
- Built dynamic UI components like profile pages, cart pages etc using React.js and TailwinCSS, significantly improving website aesthetics and load speeds.

EDUCATION

(DISM) Certificate In Web Development

Aptech Education • Tariq Road Karachi • 09/2023 - 09/2024

- Developed a full-stack e-commerce and **lawyer-finding web application** with user and lawyer roles in a team-based environment.

Intermediate Pre Engineering

Adamjee Govt Science College • Karachi
